WHAT'S HAPPENING

HIP TO BE SQUARE FRESHMEN

I was very proud of our class as a whole. We had a lot of success on our homecoming float, on which we got second place. We also sold a lot of candy so we can sort of take it easy the sophomore and junior years. I hope we are this lucky in years to come. Good luck in future years at CHS!

WILD IN THE STREETS
SOPHOMORES

Mrs. Wilhite and Mr. Klatt: Sponsors, Gretchen Smith: Secretary, Beth Tucker: Treasurer, Julie Dietz: President, Kristie Fecht: Vice President.

This year (87-88) started out real well by winning "1st Place" for our second year in a row in Homecoming Float Competition. Everyone proudly received their class rings and licenses this year and are now looking ahead to our Junior Prom!

Our Sophomore athletes finished the volleyball and football seasons strong, and our basketball teams are starting to really come alive! We hope to finish the year in sports and other activities as well as it began, looking ahead to our future years.

Throughout High School most of us have gotten to know each other pretty well. We all have memories that will last forever of all the fun times we've had working on floats (after four years we still can't build a man!), voting for our class officers (see Kevin I'm not that bad really), making roadtrips to all types of ballgames, and gong to social gatherings. None of us will probably remember our high school years because of the marvelous education we received, although we did learn a few things, but because of everything else we did. We as a class, are a unique group of people that I am glad to have been a part of and will definitely never forget.
